Organization Description:

Degy Booking International, Inc. provides several music and entertainment related segments under the brand of Degy Entertainment. The company is an international booking agency that is accountable for over 2,000 events that take place annually. Primary operations of work are provided for colleges, military, festivals, PAC, sports and corporate markets; while also representing nearly 50 acts and dance events. Degy Booking International is one of the largest talent agencies for national entertainers such as music artists, comedians, speakers, and celebrities.

Degy World:

Along with Degy Booking International, Degy Entertainment offers a new, innovative virtual platform known as Degy World. Degy World is an immersive virtual events platform and entertainment environment where clients can host conventions, corporate meetings, live concerts, symposiums, and much more! It has over 50+ buildings, rooms and locations including expo halls, conference rooms, stages, auditoriums, offices, and more. As you enter Degy World, individuals create a personalized avatar in which they can speak, message, and interact with others inside the world in real time. This immersive virtual event platform is where both business endeavors and entertainment events can take place to imitate real life as if one was actually there!

This program is designed to provide a well-rounded experience for participants looking to gain experience in live events. This program will offer an opportunity to engage in multiple aspects including:

- Event Staffing & Administration
- Stage Management & Artist Relations
- Web Development
- Technical Support
- Event Marketing & Publicity
- Graphic Design & Social Media
- Hospitality & Customer Service
- Market Research

Internship Description:

This internship will provide hands on experience with business in the music industry while still remaining safe in a remote, work from home setting. Although there will be no physical attendance, there will be face-to-face contact within the virtual event center, Degy World. Interns will give tours, oversee events, work with agents, and speak with current or potential clients to understand the conduction of business while also making professional and entertainment industry connections. Additional projects will also be assigned outside of Degy World for interns to complete. These may include researching and collecting information and data for the company, creating marketing & publicity campaigns, outreach and engagement with clients, and more. Depending on background and interest, interns will be working side by side with Degy Entertainment staff to enhance their skills and prepare for entering the work force, excelling in their specific fields.

Qualifications:

- Confident and dynamic individuals whose passion not only spans for music and entertainment but for business and/or technology.
- Must have strong communication and interpersonal skills
- Be customer service oriented and comfortable talking with potential or existing clients
- Possess strong research, writing and organizational skills
- Able to understand the importance of maintaining confidentiality
- Must be dependable, punctual and resourceful
- Must have a reliable internet connection, have strong familiarity with social media platforms and be willing to adapt to changes in a fast-paced environment
- Must have a positive attitude and be excited to learn while obtaining a professional demeanor

Wage/Salary:

Internship is unpaid, but Degy will help students receive college credit (if applicable).

Days/Hours Per Week:

The internship program lasts for 13 weeks, and applicant MUST be committed to work a minimum of 10 hours and at least 3 days a week but are highly encouraged to put in as much extra time as possible in order to be proficient in the virtual platform. Time requirements are flexible based on student's schedule or outside work responsibilities. This will be discussed during interview and hiring process.
