Organization Description:

Degy Booking International, Inc. provides several music and entertainment related segments under the brand of Degy Entertainment. The company is an international booking agency that is accountable for over 2,000 events that take place annually. Primary operations of work are provided for colleges, military, festivals, PAC, sports and corporate markets; while also representing nearly 50 acts and dance events. Degy Booking International is one of the largest talent agencies for national entertainers such as music artists, comedians, speakers, and celebrities.

Degy World:

Along with Degy Booking International, Degy Entertainment offers a new, innovative virtual platform known as Degy World. Degy World is an immersive virtual events platform and entertainment environment where clients can host conventions, corporate meetings, live concerts, symposiums, and much more! It has over 50+ buildings, rooms and locations including expo halls, conference rooms, stages, auditoriums, offices, and more. As you enter Degy World, individuals create a personalized avatar in which they can speak, message, and interact with others inside the world in real time. This immersive virtual event platform is where both business endeavors and entertainment events can take place to imitate real life as if one was actually there!
